The Government Law Section of the State Bar held its first “Roadshow” seminar in El Paso, Texas on December 9, 2016. The purpose of our roadshows is to bring a condensed version of the Advanced Government Law Seminar (held every year in Austin) to government lawyers practicing in regions far removed from the state’s regional center. The El Paso Roadshow was a huge success, we had a good turnout, and we received very positive responses from attendees. The section is now geared up for the McAllen Roadshow on February 17. Please join us for the same great content and speakers, just a new location.

Scott Durfee, Chair
